SMALL GROUP DISCUSSION: after playing this game:

How did communication play a role in our game?

How did the way you each communicated help you be successful?

What happens when there is miscommunication?

ACTIVITY: Next watch the following video for discussion

Use this video to talk about what it means to communicate with those you don't know or understand.

SMALL GROUP DISCUSSION:

What forms of communication did you see in this video?

What contributed to any miscommunications?

What does it take to enter into communication with someone different from you?

Have you ever had to communicate with someone who is different than you?

How did it go? Can you share about this experience?
