HOLISTIC CURRICULUM

MONTHLY THEME: JUSTICE

CITY LIFE®

*SPIRITUAL AND MORAL LITERACY

- Study people of faith who overcame and fought for justice throughout history

*EDUCATION LITERACY

- Read biography of historical or current person who has/is fighting for justice
- Create a campaign to change an injustice in their community and work together to make the change

*BASIC HEALTH AND SAFETY LITERACY

- Advocate with practitioners (Doctor, Dentist, Psychologist) to provide services for free to your young people. Have youth or Indigenous Leaders help you meet with them and advocate for the services
- Organize a campaign to help the local faith-based crisis pregnancy center or Parent Life Group

*ECONOMIC LITERACY

- Have local business owner share about work policies and justice issues in the workforce
- Create a Pay-It-Forward movement to help your community whether volunteer or shared services
- Have successful business owners who are POC share what obstacles they deal with and how youth can begin at a young age to work to overcome these challenges

*SOCIAL AND CIVIC LITERACY

- Visit a local museum/monument/park/ memorial etc. that is dedicated to social justice or someone who fought for justice
- Have people of color in community share personal stories and how they overcame
- Have youth decide on a project in your community they can get behind and help make a change
- Raise awareness about sex trafficking and modern slavery through a group project
