LARGE GROUP DISCUSSION:

SLIDE- THE WOLF **(Need picture of a hurting wolf)**-What is this? Do you think he wants to help you or hurt you? How can something that's supposed to be a killer and no one wants to get close to be a good thing?

SLIDE- INDIGENOUS LEADERSHIP

Explain the term and that indigenous leadership is 1 of 3 pillars of City Life

3 Pillars of City Life

- **Keep a tight neighborhood focus and live in that neighborhood if the Spirit leads.**
- **Build relational, holistic ministry with a critical mass of youth from that neighborhood.**
- **Raise up indigenous leaders who don't move out, but stay and give back.**

Being the solution to the challenges of your neighborhood and community will be how we change the rivers of pain to oceans of hope.

SLIDE-INDIGENOUS LEADER TESTIMONY**(12 Mins)**

Connect your testimony and the 3Story model.

Ex.-YFC has taken a lot of time developing the methods we use to share God's story and His great commission. These 3 connected circles represent how we try to do that! I use my testimony or story because it is all a part of a discipleship lifestyle. Let me explain!

SLIDE- FOCUS VERSE OF THE NIGHT- Acts 1:8 READ THIS

Include the picture/map of Judea, Samaria…

I put this map up here so you can see what and where Jesus told His disciples to start! This was the last thing Jesus SAID before He left this earth to be with the Father!

START WHERE YOU ARE, then Judea or your state, then Samaria or places you may not want to go. Some say you shouldn't go there or be there because it's too dangerous!
