

CAMPING TRIP LEADER PLANNING GUIDE 2022

WELCOME!

Hello Trip Leader! We are excited to have you and your group joining us at YFC Camp this coming summer. This planning guide was developed to serve as a coaching resource from our team to you in regard to deadlines, policies, and recommended practices for arrival. It works best in partnership with the information available to you on our website <http://camp.yfc.net>.

WHAT'S NEW?

If you have been a trip leader before, then you know most of the drill, but as with all things we do here at YFC Camp, there are always improvements and changes being made. Especially with 2019 being our last camp summer, this guide will be super important to review! Check to see the changes from the past year:

- **National Scholarship Process** - has been made simpler for 2022! See the full description of the process on page 4 (& page 5 for the full ride (up to \$600!) Angel Tree scholarship opportunity!)
- **Cabin Leader Training** - Some of these videos were updated early 2020, all are still relevant for every leader attending YFC Camp. The YFC Camp Team is developing a Cabin Leader Job Description this winter. The videos are available now and the Job Description will be available mid-spring for you to start training your Cabin Leaders! To learn more, see page 7.
- **Post-Camp Follow Up Resources** - see page 8 for available resources to develop your follow-up plan with students prior to even going on the trip!
- **Registration Policy Update** - Your low covenanted number is the minimum number that you will carry throughout the entire Registration Process. You will be allowed the 10% grace drop after the middle payment and before the first day of camp. In addition to this, the Camp Administrator will be checking in with you in late Spring to see how numbers are coming in for camp. For the full registration policy, please check out pages 13-15.
- **Policy on Vaping Has Changed** - YFC Camp has updated this policy. See page 17 for more info.

In addition to these significant changes, **a few other changes are noted in red text throughout the guide**. Read through this document to find those changes and make note of them as you are planning!

PREPARATION CHECKLIST

Covenants are signed and in. What's next?

1. **PROMOTE!** Promo items available on Storefront (see pg. 5 for more info).
2. **CONFIRM or ADD to YOUR COVENANT COMMITMENT, a quick & simple reply to an email from Kristen (yfccamp@yfc.net) is due by February 15, 2022.** No camper names needed at this time. You are expected to register for the minimum number turned in on your covenant or add to it if space allows for that. Please refer to the Registration Policy for full details.
3. **DEPOSIT INVOICES SENT OUT on February 15. Payments due to NSC March 15, 2022.** This is why we need the online confirmation/add form to be filled out on time – so we can bill deposits correctly. *[FYI: Not meeting the requirements for 'On-Time Registration' found in our [Registration Policy](#) will result in a price increase of \$20 per person for your group.]*
4. **PRE-CAMP LEADER TRAINING** – schedule & execute a training day or evening for all your cabin leaders for camp. See page 7 of this guide for links to a few resources to support you in training your leaders before camp.
5. **SPRING NUMBERS CHECK-IN** – reply to a quick email with how your group is doing in filling your numbers at camp. Mid-April check-in for June/July camps and mid-May check-in for August camps.
6. **CREATE A "POST CAMP FOLLOW-UP PLAN"** – see page 8 of this guide, which lists a few resources to help you get started on your plan for following up with campers after camp. It is here in the timeline because it is important for you to think about BEFORE you go to camp!
7. **PACKING LISTS** – available May 16, 2022, on [our website](#)
8. **MIDDLE PAYMENT INVOICES SENT OUT.** \$125pp HS and \$100pp MS.
 - a. **Sent April 1.** Due May 1 – for all June/July camps
 - b. **Sent May 1.** Due June 1 – for all August camps
9. **HOUSING FORM** is due by NOON Mountain Time on _____
Male/female breakdown. No camper names yet, but YES to leader names and verification of all staff/volunteer paperwork has been completed (i.e., App, Background check, abuse training, etc.). Look up form due date on the [camp website](#).
10. **A-FORM** is due by NOON Mountain Time on _____
This is the final roster of everyone you are bringing to camp – **now we need those camper names along with which cabin group they are assigned to.** Look up form due date on the [camp website](#). **By this date you will also NEED to deactivate Camp Doc profiles of those who are NOT coming to camp!**

11.ARRIVE TO CAMP! - See the "Tips for a Smooth Arrival to Camp" in this guide for arrival details.

SCHOLARSHIP PROCESS

The national camping department is excited to continue to offer scholarship money to help kids get to camp! The focus of national scholarship funds is strategic to help kids who are truly in financial need.

We will still collect quality stories of life-change or how the money impacted your local mission in a post-camp report. This will honor our national donors' giving intentions, while also blessing them (and US!) with these stories.

Process: (NEW FOR 2022 - The scholarship process has been simplified!)

- **APPLY THROUGH CAMP DOC:** Camper parents or guardians will fill out the online scholarship application as they register their child for YFC Camp on CampDoc.com. Trip leaders will be receiving a link for the direct page in which parents need to register. Under the "Profile" there will be a "Camp Scholarship" tab that your camper's parent or guardian will need to fill out. The application will be live on Camp Doc by/before February 15, 2022 and will be closed on May 30, 2022. The parent/guardian will not need to fill out the entirety of the Camp Doc registration (like the health form) in order to submit the scholarship application. On the application, a handful of questions will be asked of the parent, including annual household income. Those sensitive answers will be encrypted, for privacy, but you as the Trip Leader will be able to view them.
 - Campers at or below a \$50,000 household income will be eligible to receive a scholarship for 50% off the national camp price. We do not guarantee that each student will receive the full amount, as the scholarship awards are dependent on how many qualified applicants that we have.
 - Between Tuesday, May 31 and Friday, June 3, the Trip Leader will receive an email from yfccamp@yfc.net. The Trip Leader will be required to review your chapter's list of scholarship applicants to verify which students also qualify for Angel Tree scholarships. Please reply promptly to this email as your eligibility to receive scholarship funds could be impacted.
 - NOTE: Students who qualify for Angel Tree scholarships will not receive YFC Camp scholarship funds.

- **REVIEW PROCESS:** The YFC Camp Team will review all applications, compile chapter/launch chapter/group requests, make final decisions on awards and notify you either way by end of day on Friday, June 10, 2022.
 - You will be notified about which of your students applied, qualified, and the amount awarded.
 - Awards will be applied to your final camp bills. If your group is attending more than one camp, we will notify you the amount per camp awarded as that will be reflected on final invoices.
 - We reserve the right to partially fund any proposal based on the availability of scholarship funds.
- **POST-CAMP REPORTS:** Post-camp reports are vital to the on-going success of the national scholarship program. Your participation and receipt of scholarship funding requires your timely completion of a post-camp report. In the report, your chapter will be evaluating the process of scholarship applications and providing stories of campers who experienced life-change because of their camp experience. POST-CAMP REPORTS WILL BE DUE TWO WEEKS AFTER YOUR GROUP'S LAST YFC CAMP OF THE SUMMER. Reporting instructions will be emailed to the Trip Leader at the beginning of the summer. These reports are due back in a timely manner.

ANGEL TREE SCHOLARSHIPS

YFC/USA has an incredible partnership with Prison Fellowship/Angel Tree, and we are inviting you chapter to join in! **To see the requirements of joining in with this program and directions for how to apply for these funds, please [download this partnership letter](#).** It can also be found on the camp website - [Downloads & Forms](#).

If your YFC Chapter is a partner in the program, Prison Fellowship/Angel Tree is able to provide **a full ride camping scholarship up to \$600** *(and an additional transportation scholarship of up to \$80, if approved prior to the trip)* for Angel Tree kids and any other eligible kid in your ministry attending YFC Camp **IF** they meet a few certain criteria....

To be eligible for scholarship reimbursement, the individual must be 18 years old or younger **and** meet **ONE** of the criteria below:

- Have been registered for Angel Tree Christmas in prior year(s) and appears in the Angel Tree database.
- Currently have an incarcerated parent or stepparent. The parent could be incarcerated in a county, state, federal, or military facility. You must be able to provide the name of the prisoner parent and the facility where he or she is incarcerated.
- Currently live in a household with an Angel Tree child or child of an incarcerated parent who is also going to attend camp.
- Have been recently incarcerated themselves (JJM Students)

DEVELOPMENT TOOLKIT

WAS RELEASED EARLY SPRING 2019, SO MAY BE NEW TO YOU AND HELPFUL AS YOU PLAN FOR CAMP THIS UPCOMING YEAR!

The YFC Camp Team curated a bunch of awesome resources to help you plan and execute Camp with excellence. To find out more, please visit http://camp.yfc.net/resources/camp_development_resources/
Included in the Development Resource Tool Kit are:

- **7 Development Resource Video Trainings**, titled: An Introduction to the Resources, The Value Proposition of YFC Camp, Leadership Development at Camp, Sharing the Financial Burden of Camp, Fundraising Myths, How to Utilize the National Scholarship Strategy (will be updated in January), and Involvement of Churches in Camp Giving
- **Print & Downloadable Resources**
 - Camper Fundraising Planner
 - Trip Strategy Document
 - Camp Budget Template
 - Lists of the Best Fundraising Events: Chapter Wide & Camper Focused
- **Video Appeal Kit** - Guide and Template on how to create your own custom video appeal!
- **Storefront Resources** - see next section for more information!

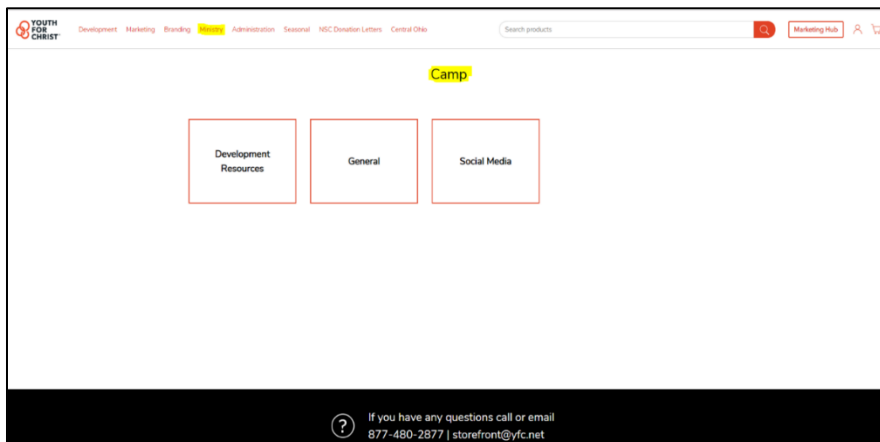

STOREFRONT – PROMOTIONAL RESOURCES

Storefront is the online platform for all print marketing resources for YFC/USA including YFC Camp. All promotional resources, both download and print-order versions, are available for you with YFC Camp designs and brands. For more information, check out the Leader Resources on our camp website, http://camp.yfc.net/resources/camp_development_resources/

WHAT IS CURRENTLY AVAILABLE ON STOREFRONT?

- Camp Appeal Letter Template
- Donor Booklet Template
- Small Donor Booklet Template
- Camp Postcard
- Informative Camp Trifold Template
- Camp Donor Thank You Trifold Template
- Project Serve at Camp Trifold Template
- Social Media Post Templates
- **Camp Full Photo Flyer Template**
- **½ sheet Flyers for Camp and Project Serve Templates**
- Large Poster Template

ALL of these resources are templates filled with national camp information, meaning they can be edited with your chapter or group's information, data and statistics. They can be printed locally off your own computer, or printed through VSG and sent to you directly. Check out Storefront here at <http://storefront.yfcmarketing.net/>. **Remember you can get CREATIVE with templates** 😊

If you do not know how to access Storefront, or you cannot see the Camp module once you login to Storefront, please email storefront@yfc.net or call 877-480-2877. Once logged in, find the resources that you would like to use in the Camp module, under the Ministry tab at the top of your screen (highlighted in the picture on previous page).

CABIN LEADER TRAINING

SOME OF THESE VIDEOS WERE UPDATED EARLY 2020, ALL ARE STILL RELEVANT FOR EVERY LEADER ATTENDING CAMP.

Information on what training is available and how to get there is on our camp website at http://camp.yfc.net/resources/online_leader_training.

ONE-DAY LEADER TRAINING TEMPLATE

Over the years many cabin leaders have expressed interest in receiving training before camp, you can make it happen for them! Utilize either of the below templates to help you cover important topics or consider customizing it to meet your own needs. Don't miss this important opportunity to train your leaders! Download the training templates from the camp website under Leader Resources, Downloads & Forms or click the below links.

[YFC Camp Specific Leader Training Template](#)

[Generic Camp/Trip Ministry Leader Training Template](#) (developed in 2021 and is a fuller training experience in relevant topics for any camp or trip. For groups who have lots of experience with YFC Camp, consider adding portions of this material to your training day.)

NEW FOR 2022: CABIN LEADER JOB DESCRIPTIONS

Something that you may find useful as you are training your cabin leaders is a detailed job description for both cabin leaders and cabin leaders in training (at middle school camps only).

This will be available on our website this spring! See <http://camp.yfc.net/resources/downloads/forms> after March 1st.

POST-CAMP FOLLOW UP

BEFORE YOU HEAD TO CAMP, YOU SHOULD HAVE A PLAN IN PLACE FOR HOW YOU WILL FOLLOW UP WITH STUDENTS AFTER CAMP. HERE ARE A FEW PRACTICES THAT COULD BE A PART OF THIS PLAN. SEE THE TRIPS - MINISTRY SITE LEADER PROCESS ON KNOWLEDGE BASE FOR SPECIFIC STANDARDS TIED TO THIS TOPIC.

- Small groups
- Appointments with students
- Utilize any of these available resources in your follow-up plan:
 - "Beyond Camp" Our Daily Bread Devotional - available while at YFC Camp, or contact the YFC Camp Office for copies (yfccamp@yfc.net)
 - [What Now? New Believer YouVersion Bible App Plan for Teenagers](#)
 - [Alpha Youth Film Series](#)
 - [Campus Life Small Group Curriculum](#)
 - [Core Team Curriculum](#)

YFC CAMP 101 – THE BASICS

YOUR INTRODUCTION TO YFC CAMP LINGO AND BASIC PROGRAM ELEMENTS YOU SEE AT ALL CAMPS

TRAVEL PLANNING RESOURCE- High Point Travel (<https://www.highpointgo.com/>) has an established relationship with YFC and may be able to help you reserve transportation of charter buses or airfare for groups of 5 or more at a lower cost. Contact Nathan Gunter at nathan@highpointgo.com to get a quote for your group travel.

THE GRID- All programming elements from fun events to skit themes to speaker themes stem from what we call “The Grid.” There are separate MS and HS Camp grids which you can [find and download on our website](#). Take the time to check out the flow of the themes and desired outcomes for all involved in YFC Camp.

THE FLOW - the pacing of our week is also great to note for newcomers. We purposely start the week with HIGH energy and fast-paced rhythm to the schedule. You will be full throttle for the first 48 hours upon arrival to the camp. As the week progresses, we also purposely slow that pace down to allow for more one-on-one time with your campers and more space to soak in what God is doing in campers’ lives.

CABIN COMPETITION OUTFITS - This is an item you will see on the packing list.

- *Why develop a cabin competition outfit?* We want you and your campers to have many memorable shared experiences together and to develop a unity early in the week that will drive those relationships and experiences for the rest of the week. So early in the week, our program teams design an event in which you will wear a coordinated cabin competition outfit that helps promote that cabin unity.
- *Okay neat! So, what do I do to prepare for that?* Once your Trip Leader assigns you (the Cabin Leader) to the group of campers you will have in your cabin you can either develop a costume for them - or work with your campers to develop an idea together. If you are not the Trip Leader - check with him/her to see if your entire chapter is planning a costume together or if each individual cabin group is on their own.
- *An important factor to consider is available resources* - What can your students contribute financially? What can your ministry budget contribute financially? We don’t require anything fancy, and it is not a competition to see who has the best costume at camp. This is a strategic and fun unifying factor for your group so pick what you want/can do from super simple to super complex.

ATTITUDE IS EVERYTHING - Your attitude this week will set the tone for the entire experience your kids will have at camp! Many of these kids have not been to camp or are skeptical about camp and how they see YOU responding to camp can make or break their experience! Remember to “get behind” everything that is happening in the schedule. You have the ability to make camp great. Phil. 2:13...Do everything without complaining... (Ex. When there is an activity you are not so sure about - decide to get into it and make it a great experience for you and your campers.)

BE PREPARED TO BE WITH YOUR CAMPERS - Probably the MOST important thing to know as a new leader is to ALWAYS BE WITH YOUR CAMPERS!! I know it is our tendency as adults to want to hang with other leaders and not our campers, but that is not our aim this week. This week is dedicated FULLY to your campers and showing them the person of Jesus. That means that you should always know where your campers are because you are WITH them. Sit by them in club - not in the back! Do all the activities WITH them, don't just watch! We give you all permission this week to be a KID - enter their world and do this week WITH them!

EXPECTATIONS OF CELL PHONE USE BY CABIN LEADERS - Cabin leaders will continue to be allowed to keep their cell phones while at camp. However, we have several expectations for how and when they should be used:

- To relay travel updates to parents. Let them know you've arrived at camp, are departing camp, etc.

- To send prayer updates to your prayer team at home.
- As a camera and/or for programmatic events like a photo scavenger hunt. Please use your camera for quick pictures and videos only, putting it away when the photo op has passed.
 - Please note - when taking photos or videos, you may end up capturing footage of an accident or injury. If this happens, please do NOT share on social media. Please notify your camp director, as it may be helpful when filing an incident report.
- If you must use your phone for personal phone calls, texts, or emails, please do not use it in front of campers.

WHEN YOU GET TO CAMP:

- 2ND TIMERS MEETING - is a meeting for any campers who are returning to YFC Camp that will happen shortly after all groups arrive on Day 1. Specific time & location will be provided to you on your registration slip upon your arrival to camp.
- LEADER MEETINGS - are for ALL cabin leaders. The first meeting will happen shortly after all groups arrive to camp on Day 1. Specific time & location will be provided to you on your registration slip upon your arrival. In this meeting, you will meet your Lead Support Team and Camp Director. The LST will take you through very important announcements to get you set for the week. In addition, there will be a Leader Meeting every single day at camp.
- NEW LEADER TRAINING - is a meeting that happens on Day 2 during a meal. Specific time and location will be communicated to you in the first Leader Meeting happening on Day 1.

PRO-TIPS FOR YFC CAMP:

- **Bring a small first aid kit for each cabin or leader that you will have at camp!** This lessens the amount of time that campers/leaders need to go to the nurse just to get a band-aid.
- **Bring hand sanitizer for each cabin leader to have and distribute amongst campers regularly.**
- **Do a lice check PRIOR to getting in your transportation to head to camp.** Any group that brings lice to camp, your chapter will incur the cost of lice treatment.
- **We encourage you to find ways to deter drugs/alcohol/vapes/electronic cigarettes/weapons/knives from coming to camp** such as calling your local police department and have drug dogs present when loading your vehicles.

TIPS FOR A SMOOTH ARRIVAL

GENERAL

- **Last minute changes to your A-Form** between the deadline and arrival to camp? Bring a copy of the A-Form with all your changes to give to the registration table at check in.
- **Be ON TIME! Do not PLAN to be late!** That is just poor planning and starts the **camper** experience off badly. Trust us, it is best to arrive within the proper arrival window listed on the website. It is specific and purposeful to allow adequate time for everyone to settle into their housing and to allow for necessary meetings.
- **Encounter problems on the road?** Send us an update if something happens that will cause a late arrival. If you do not have a direct phone number for a Head Leader or the Camp Director – please call the NSC as there is always someone from the national camp team ready to help.
- **Arriving to camp in multiple vehicles?** Arrive together so that all everyone/everything also arrives together so we can properly check everyone in.
- **COVID-19 considerations/adjustments** will come later, closer to camp.

HOW TO BRING CAMPER ELECTRONICS AND PREPARE THEM FOR ELECTRONIC COLLECTION

Campers are allowed to bring cell phones, iPods, video games, tablets, etc. for travel to camp. HOWEVER, upon arrival we will collect all those items and hold them in a safe, locked place during the week to be returned to them on the last day of camp.

WHY - This is an effort to limit distraction so that a camper may have a great, undistracted experience at camp as well as help eliminate the possibility/reality of theft (because it WILL happen). It is a high value for the campers to be present in their attention and thoughts in addition to physically being on site. We continue to wrestle year after year with what it would look like to let campers keep phones and devices, but still feel it is the best decision to collect them as we have always done.

RECOMMENDED: collect them on your vehicle about 30-45 minutes out from your arrival to camp. **Have small plastic baggies to label with kid's name and put the devices into**. Place into box labeled with your chapter/ministry site name. *Make sure to have kids turn them off so they don't waste their battery life. Also, we recommend bringing portable chargers for the way home!* When you get to the registration table – the Trip Leader can hand the box of electronics to the Head Leaders making this process quick and well organized.

HOW TO BRING MEDICATIONS TO CAMP

The Medical Team will be waiting at registration to collect medications from campers AND leaders. It speeds up the process when these medications have been pre-collected by Trip Leaders as meds can then be brought straight out of vehicles to the Medical Team all at one time. If parents have not labeled medication clearly or detailed out correctly the directions for administration on the student's Camp Doc profile, the Medical Team may ask that camper to get off the bus so they can ask questions. **You can help**

us all out by reviewing their Camp Doc profiles for correctness & completeness well before camp.

Exceptions to a pre-collection would be inhalers & epi-pens. These two items still must be reported to the Medical Team on the camper/leader's Camp Doc profile and thus verified with the Medical Team upon arrival.

HOW TO PACK INDIVIDUAL MEDICATIONS:

- **ALL** meds (prescription and over the counter) should come in their original pharmacy container with patient name and dosage info listed if appropriate
- Label all meds with camper name and YFC Chapter name
- Parents will detail out on the camper's Camp Doc profile the dosing/administering information (i.e., with food, w/o food, time of day, things to consider, etc.). This information ensures accuracy of administration.
- Place all the above into a plastic Ziploc bag (also labeled with camper/chapter names) to turn in
- Keep in mind some camps require a doctor's permission/signature for the Medical Team to administer medication. Be on the lookout for this at all camps.

ONLINE CAMP DOC PROFILES

HOW DOES CAMP DOC HELP US?

- Fewer paper forms
- Quicker check-in on your arrival to camp
- Secured camper health data
- Searchable camper health database
- Form completion accuracy - easier to know if the form is complete before you leave for camp
- On-site medical staff have electronic, accurate, and clear record keeping

We are aware that Camp Doc can seem difficult at times - requiring you and your parents to become familiar with the program and likely needing you to give assistance to parents in registering their student for camp. We are also aware of ministry sites that may have difficulty with parents not having internet access and/or emails. We are committed to working with each group to help train and get you and all your campers on-boarded. CampDoc.com has an amazing tech support info database as well as a team of people ready and willing to take your questions.

Camp Doc is mobile-friendly for registering participants - please click here to download a [Mobile User's Guide](#) to help you and your parents through the process! In addition to this - printable PDF Camp Doc profiles will be available on [our website](#) by February 15

*Please note, your local staff will need to manually enter data from paper forms into Camp Doc

Camp Doc has **Travel & Emergency Medical Protection Insurance** available through their registration process. For more information on this - [please check out this document](#).

CONTINUED IN 2022: You will need to delete the profiles of those who are not going to attend camp the day before arrival. Failure to do so, will result in a charge per extra profile that your chapter/group has.

By February 15, we will be contacting each Trip Leader with information on how to get started. Along with this information we will include helpful hints on how to work with parents to get Camp Doc profiles filled out. *Remember, it is ideal to have Camp Doc profiles filled out by May 30 as that is when the scholarship applications are due!*

NOTE: Camp Doc profiles can still be accessed after camp is complete. For more information, or if you need help, contact the Camp Office at yfccamp@yfc.net.

REGISTRATION POLICY & PAYMENT PROCESS

*Revised 8.2.21 | **Note:** There are separate policies for Project Serve groups and Camping groups. See [CAMP WEBSITE](#) for full Project Serve policy.*

- 1. 2022 Dates and Locations published by August 20, 2021.** Request Form available at this time.
 - Price per camper/leader at a HS camp is \$499.
 - Price per camper/leader at a MS camp is \$360.
- 2. Request Forms are due back on September 15, 2021.** A Location Request Form will ask you first and second choice locations for each camp you want to attend and projected numbers for each. YFC Camping Department will then take these requests and place groups at 2022 camps according to multiple factors to make sure everyone has a place a camp. We do our best to accommodate all first choices and numbers.
- 3. 2022 Participation Covenant issued** to individual groups with the camp assignment on October 5.
- 4. 2022 Participation Covenant Due back signed** to Camping Department on October 19, 2021.
- 5. Covenant Confirmation/Add form** - Due on February 15, 2022.
 - An email will be sent to you on February 1. We ask for a simple response in email to confirm your number for each camp as we know you may want to add at this time. This is the number in which we will invoice you for deposits and guarantees you this number of spots at this camp.
 - Please note the timing. In order to get the correct deposit invoices sent out in time for deposit due date, we ask for a reply to the email to confirm your covenant by February 15, 2022.
- 6. Deposits Due - Around March 15** - \$100 per registered person for your camping group.
 - Invoices sent from NSC Accounts Receivable department directly to your chapter. All launch chapters are done by inter-department transfer in the NSC and non-YFC groups will receive an invoice directly from YFC Camp.
 - **On-Time Registration** allows you to add more campers/leaders to your registration at any time at the on-time camp price and requires:
 - Providing your covenant confirmation by Feb 15.
 - Registering for no less than your original covenant minimum.
 - Paying deposits by March 15 (or due date listed on your invoice)
 - **Late Registration:** Any groups registering after March 15 or having not met the criteria for On-Time Registration are still eligible to register or add additional campers at the on-time registration price plus \$20 per person.
 - EXAMPLE: IF \$360PP IS THE ON-TIME PRICE, THEN \$380PP IS LATE REGISTRATION PRICING.
- 7. Middle Payments Due**
 - All June & July camps are due May 1
 - All August camps are due June 1
 - HS middle payment due is \$125 per registered person
 - MS middle payment due is \$100 per registered person

8. Spring Numbers Check-In - NEW IN 2022

- Trip leaders will receive an email asking them to confirm their anticipated number of campers/leaders for each camp. YFC Camp will use this info to best understand if any additional spots will be available for groups wishing to add registrants beyond their existing allocation. This will occur mid-April for camps taking place in June and July. It will occur mid-May for camps taking place in August.

9. Grace Policy

- You are allowed to drop 10% of your registered number after your middle payment and before the first day of camp at no penalty or fee!
- If you know you need to drop numbers, please contact yfccamp@yfc.net with those changes as soon as you are aware, so we can adjust your registration.
 - EXAMPLE: If in March, 100 people were registered - then you are allowed a drop of 10 people after your middle payment and before the first day of your camp.
- What if I drop more than 10%?
 - For any number of spots you drop below the 10%, you will be charged at 75% of the published camp price.
 - EXAMPLE: YOU REGISTER FOR 100, BUT ONLY BRING 80. YOU PAY THE FULL CAMP PRICE FOR 80, AND 75% OF THE CAMP PRICE FOR 10. IF \$360 PER PERSON IS THE FULL PRICE...
 - $\$360 \times 80 = \$28,800$
 - $(\$360 \times 75\% = \$270) \times 10 = \$2,700$
 - Total Bill = \$31,500

10. What if I want to add more to my registration after March 15?

- FIRST, contact yfccamp@yfc.net to inquire about additional availability to add. If there is space to add, camp will gladly confirm with you the additions and add them to your registration.
- You will receive an invoice for the sum of the deposit and middle payment for each additional registration.
- Your new adjusted number becomes the total registered number of which you are now allowed to drop 10%.
- EXAMPLE: YOU ADD 10 MORE SPOTS TO YOUR 100. NEW TOTAL IS 110 AND ARE NOW ALLOWED TO DROP A MAXIMUM OF 11 (10%).

11. Final Payment is due approximately 30 days after billing. You will receive your final invoice from NSC Accounts Receivable department soon after camp. **Do not bring money to camp with you.**

- All final adjustments to numbers, additional fees for adult guests, Project Serve group adjustments, etc. will be made once that information is received from camp. Final invoices for that camp will then be sent out and expected to be paid within 30 days of billing. A finance charge will be assessed on excessively late payments.
- Final payments are all final adjustments and fees less the amount of the deposits that you have already been invoiced. The national fee is \$499 for High School camps and \$360 for all Middle School camps.

PAYMENT PROCESS

INVOICING:

- The Camp Administrator will keep a detailed registration record for each **chapter** reflecting registered numbers, adjustments, and the accompanying charges. Using this registration record, billing amounts will be generated and provided to Accounts Receivable who will send out actual invoices to chapters approximately 30 days out from a target due date (see Payment Schedule section below). A copy of this registration record can be obtained at any time from yfccamp@yfc.net
- Due Dates listed on the camp website are the *target dates* for payments. If there is a discrepancy between a due date listed on website/other camp literature and an NSC Invoice... ***please pay according to the due date listed on the invoice.***

PAYMENT SCHEDULE:

- DEPOSITS - will be billed according to the number given by the Trip Leader in the "Covenant Confirmation" form in February. Deposits of \$100 per person registered will then be due MARCH 15.
- CAMPING MIDDLE PAYMENTS - will be billed off your confirmed registration number and will be due for your camp on either MAY 1 or JUNE 1.
 - HS Camps will be \$125 per person registered
 - MS Camps will be \$100 per person registered
- PROJECT SERVE DEPOSITS - will be billed according to the number given by the Trip Leader in the "PS Covenant Confirmation" form in March. PS Deposits are \$100 per person registered and due APRIL 15.
- SCHOLARSHIPS - Any funds awarded to your chapter will be applied to your chapter's final invoice.
- FINAL PAYMENTS - will be determined and adjusted upon receipt of actual attendance numbers for that week of camp then billed out after those adjustments have been made shortly after the first day of that week of camp. Final Payment for a camp is due 30 days after billing. Again, pay attention to invoice due dates.

BUS DRIVERS & ADULT GUESTS

BUS DRIVERS

We do not allow bus drivers from charter companies to stay on-site at YFC Camp. This is in an effort to uphold our organizational safety standards and guidelines for appropriate access to kids. If your bus driver(s) is already an active, current YFC volunteer or staff with your chapter/launch chapter then they are more than welcome to stay at camp as a cabin leader or Project Serve participant with your group.

ADULT GUESTS

If your chapter/launch chapter desires to have adult guests at camp for the purposes of donor support and raising awareness of YFC Camp please contact the YFC Camp office first. There are guidelines around who and how we host adult guests. You can find the full policy here - https://yf.cx/camp_adult_guest_policy. We are always happy to accommodate where we can to share the joy of YFC Camp with donors, family, other staff, etc. Contact Kristen at kbergman@yfc.net if interested.

CAMP RULES & GENERAL TERMS

WHO IS YFC CAMP FOR?

Not every kid will be successful in the camp setting. Please use good discernment and judgement when deciding which kids should come to camp. If you know a kid will require a particular kind of attention, please consider if you have the appropriate leaders in place to provide that attention. The Lead Support Team at camp will be able to support you in many ways, but they will not have capacity to attend to many specific special needs, special disciplinary action, 1-on-1 care for campers, etc.

WHAT ABOUT RETURNING CAMPERS?

- YFC Camp is programmed for kids who do not yet know Jesus. So, any kids who don't know Him yet should come to camp - as many times as it takes. But please also understand that the flow/basic structure of camp will always stay the same. Programmed events will change some from year to year, but we don't make huge structural changes to accommodate kids who have been to camp many times.
- If you have students who do know Jesus that want to come to camp, encourage them to bring a non-Christian friend with them. Help those students reach out and minister to their friends. Remember to tell these Christian students that YFC Camp is programmed for kids who are far from Jesus, and this is a great opportunity for them to share their faith with their friends.
- If you have solid Christian students who would like to be at camp, encourage them to consider serving on a Project Serve at Camp team. This is a great way for Christian kids to be at camp, but they will get to spend their time learning what it means to live out a life of service for Jesus.

NON-TRANSFERABLE REGISTRATION

This means that you cannot "sell" or give your unused spots to another YFC chapter/launch chapter or

group. You are responsible for your committed numbers. Work directly with the camping department on registration solutions as needed.

LEADER TO CAMPER RATIOS

There must be at least a 1:7 leader to camper ratio for high school and a 1:5 ratio for middle school. You can make the ratio smaller to fit the specific needs of your campers, but DO NOT make the ratio any larger.

Weeks of YFC Camp are exhausting, and it is healthy to find times when every leader at camp can take a break. *If you bring the required leader to camper ratios, you as the Trip Leader should be able to schedule breaks for cabin leaders after they've completed the work needed to do.*

MAXIMUM/MINIMUM CAMPER AGE

- Campers attending high school camp must be campers entering 9th, 10th, 11th, 12th grade, or just graduated.
- Campers who are entering 9th grade have the option to attend high school or middle school camp.
- Campers attending middle school camp must be campers entering 7th, 8th or 9th grade. If you have campers who will be entering 6th grade, you can decide if their maturity level is high enough to attend camp.

MINIMUM CABIN LEADER AGE

- ALL leaders who are coming to stay in cabins with campers MUST be at least 18 years of age or older. If you have volunteers/leaders under 18 who are interested in coming to camp, please direct them toward Project Serve.
- Each leader MUST have completed the entire volunteer or staff on-boarding process locally with your chapter/launch chapter of Youth for Christ. Showing up to camp without this process completed could result in that adult leader being sent home. Please commit to the safety of all our students and make sure each volunteer is properly vetted before arrival.
- If you wish to use high school student leaders as "cabin leaders in training" at middle school camp, you must still provide the correct ratio of adult leaders (over the age 18) to campers (1:5), but you may also add high school students as cabin leaders in training. Cabin leaders in training must be at least 16 years of age or older (Juniors or Seniors in HS). They will also need to attend leader meetings. So, if you have 10 campers in a cabin, you should have 2 adult leaders and then you can also have 1 or 2 high school cabin leaders in training. Please check out the [Cabin Leader Job Descriptions \(Available Spring 2022\)](http://camp.yfc.net/resources/downloads_forms) to see fully what this role looks like! – see http://camp.yfc.net/resources/downloads_forms

CAMPER RULES

- **Drugs (including all forms of marijuana)/ Alcohol/ Vapes/ Electronic Cigarettes/ Weapons/ Knives** are not allowed at camp. If a camper is found with possession of these things, he or she will be sent home at their own expense.
 - *E-cigs, e-hookahs, hookah pens, vapes, vape pens and mods are all included in this list.*
 - The use, possession, or distribution of illicit drugs, legalized marijuana, synthetic marijuana, any CBD products, or federally controlled substances is prohibited at YFC Camp.

- With the rising popularity of **marijuana** and **marijuana edibles**, our Risk Management team has advised us to pass along a notice that kids may bring drugs in other forms. **We encourage you to find ways to deter these items from coming to camp** such as calling your local police department and have drug dogs present when loading your vehicles.
- In the past years we have had a number of **pocketknives** brought to camp - mostly on accident - as they may be a standard thing for adults and students to carry. We ask that you be aware and advise campers and leaders to leave them at home as they are not allowed at any YFC Camp. If found on site, they will be confiscated and possibly **not** given back at the end of the week.
- **Smoking (Tobacco Products)** is only allowed in designated areas at **high school** camps. It is generally not permitted at middle school camps. Please contact us if this is an issue.
- There is no rule for campers regarding **bathing suits**, however, we ask that all staff & leaders set an example with a modest swimsuit.
- Campers are allowed to bring **cell phones, iPods, tablets**, etc. for travel. HOWEVER, upon arrival at camp we will collect all those items and hold them in a safe, locked place during the week to be returned on the last day. This is an effort to limit distraction so that a camper may have a great experience at camp. Staff will be allowed to keep their phones.
- **ALL MEDICATIONS** (prescription and over the counter) will be collected upon arrival for campers, Project Serve kids, *and any staff staying with minors*. Prescription meds **MUST** come in their original container, which must display the camper's name and dosage information. Complete details for how to bring and label medications are listed in the "Tips for a Smooth Arrival" section and will be on the Camper Packing Lists, and in the Medical Policies available for download on the [camp website](#).
 - Medical marijuana is not permitted at YFC Camp.
- **Public Displays of Affection (PDA)** - no PDA is allowed at YFC Camp.
 - **Beds are for one person. Showers are for one person. Everyone gets dressed privately.**
- **Baptism at Camp** - It is the preference of YFC Camp to have this wonderful milestone celebrated at the camper's home with family. If it must happen at camp, you **HAVE TO FIRST** clear it with the Camp Director, acquire parent permission, and spend some careful time with the camper looking at Scripture to make sure what is happening is understood by the camper. Logistically, it must happen at a private time (like early morning) and **ONLY** attended by people in your chapter/ministry area.
