

CLUB SERIES GUIDE

FOCUS

Dear Campus Life Club Leader - Thank you so much for leading this Club with your students! Below you will find a few important notes and clarifications about what to expect as you move through this series. We also recommend you [review the standards and best practices for the Club RMA](#) found at YFC's Knowledge Base before starting Club.

WHO IS THIS SERIES FOR?

The Focus series is meant for middle school students and is best used at the start of a spring semester. Each week will focus on the character arc of Lightning McQueen from the Cars movies alongside Zacchaeus' story from Luke 19.

Our hope is that students will begin to understand and move from a place of selfishness and being "me focused" to welcoming Christ to transform them and live with an "others focused" point of view. We also highly recommend having projection available for this series to show the provided clips from the Cars movies.

For other series that might replace Focus, you can find them on the National YFC website under [Campus Life Middle School Quarter 3 Curriculum \(January-March\)](#)
