

YFC Leader,

Welcome to YFC's Online Abuse Prevention Training. The instructions from Praesidium on the following page will get you started with directions to log in and access to the courses. Thank you for taking the time to seriously consider this issue and honor our responsibility for the safety of every young person in YFC.

As you follow the instructions, you need to enter a registration code to log in; the code is specific to each YFC Chapter. These are also on the QuickStart Guide on the next page for you. Once you enter the code, you will be able to select your ministry's account from a drop-down box to complete your registration.

Upon logging in, you will see a welcome message from Jake Bland along with a selection of training courses. This is serious material containing personal interviews with both abusers and victims of abuse. You might find it a little difficult to watch, and we all wish we didn't have to think about these issues. However, given the times we live in and the culture we work in, we must face these issues preemptively and head-on if we're going to take seriously our responsibility to protect kids. The courses are:

Meet Sam

Sam molests children and, in this module, he tells you how he gets away with it. You learn the types of molesters and the methods they use to manipulate their coworkers, parents, and children—all to meet their own needs. You also learn how to spot interactions between adults and children that may indicate danger.

It Happened to Me

Temper outbursts. Failing grades. Depression. Suicide. These are just a few of the effects of sexual abuse. In this module, you hear children and adults describe the devastating effects abuse had on their lives. You learn about the prevalence of abuse and specific characteristics that may put some children at higher risk of abuse.

Abuse Risk Management for Volunteers (Volunteers only need to complete this course)

This module shows volunteers how molesters operate, the devastating effects of abuse, and the specific steps volunteers can take to prevent abuse and false allegations of abuse.

If you encounter problems logging in or need further assistance, Praesidium's technical support team is ready to assist you. Contact them at support@praesidiuminc.com or 817-801-7773.

Thanks for helping to keep YFC youth and leaders safe!
