Ministry Report

Numbers. In this case, the statistical description of another year of ministry at Youth For Christ USA. But don't be misled. Every single number represents a name. Every name is significant. And every significant name is loved by God.

In fact, we know that nothing, absolutely nothing, can separate us or the young people we engage with from the love of Christ. Nothing.

Not a felony record. Not a teenage pregnancy. Not a total lack of hearing. Not a deployed parent. Not a broken home environment. Not an elevated self-image or a stellar GPA... nothing disqualifies or qualifies us for the love of Christ.

The pursuing and relentless love of God radiates through our YFC staff across the United States. Authentically. Consistently. Courageously.

And each time, each life, is one more. One. Never just a statistic.

Each year we stop and aggregate the impact of our mission. As we do, we are both humbled and compelled. We are both burdened and unleashed. The need is enormous. The resources limited. The access constrained... "but God, who is rich in mercy" ignites a vision and hope that propels us.

Everywhere and always, our message is Jesus the Christ. Always and only, we anchor our confidence in the reality that transformation is only possible through the grace and mercy of God.

Together. God's design for ministry is this... that together we can see dream-worthy results.

For His glory and fame alone.
