

LOVE (SMALL GROUP)

LESSON 3: LOVE IN YOUR POCKET

Objective: Students will share moments in their lives where they felt loved by using pictures from their cell phones

SUPPLIES:

Cell phone

INSTRUCTIONS:

Have students share 2-3 moments from their camera roll where they felt the most loved. Allow them to tell their story.

Have students show 2-3 moments from their camera roll where they felt they were being the most loving. Allow them to share their story.

QUESTIONS:

- 1-What similarities do each of those moments have in common?
- 2-What are different ways of loving and being loved that you heard?
- 3-Which moment caught your attention or surprised you? Why?
- 4-What idea did you hear about that gave you a good idea to use in your life?
- 5-How would you define love based on the moments that were shared in this activity?
