Lego Activity Cards

Build the lego set, but you are not allowed to use instructions or look at the box

Build the lego set, but you are blindfolded and a friend can help you with only their voice

Build the lego set, but you have to first read the instructions and can only build from memory.

Build the lego set, but with your thumbs taped to your palms (use packaging tape from supply list)

Build the lego set with a partner. You are only allowed to use your right hand and your partner can only use their left hand.

Build the lego set, but with mittens on.
