

## HS 2022-2023 UNFILTERED SUGGESTED YEAR

Q0	August 22	Pre-Kick Off		
Q0	August 29	Big Monday		
Q1	September 5	Labor Day		
	September 12	Unfiltered	Filtered Introduction	This intro series will dive into the theme of the year "Unfiltered". In 2022, students are so used to filtering everything- whether it is what they post, what they do, what they feel or who they are connected to- everything is filtered through what will make them appear better. We want to expose those filters and challenge students to live "unfiltered".
	September 19	Unfiltered	I'm Just Like Everyone Else	
	September 26	Unfiltered	I Don't Have a Purpose	
	October 3	Unfiltered	I Don't Matter	
	October 10	Unfiltered	I Am My Mistakes	
Q1	October 17	Day in the Life	Life Is Not About You	In this series, we are going through some of the lenses that would benefit high school students to filter their lives through: that life is not about you; that you are not in control; that life is difficult and that life is short. Filtering their lives through these lenses will give students a better balanced way of viewing their actions, choices and life in general as well as the way that they interact with God.
	October 24	Day in the Life	You Are Not in Control	
	October 31	Day in the Life	Life is Difficult	
	November 7	Day in the Life	Life is Short	
Q0	November 14	Big Monday		

Q2	November 21	Filtered Holidays	My Family's Perfect	
	November 28	Filtered Holidays	I'm Thankful	
	December 5	Filtered Holidays	I'm Happy	Our hope is to share the entire Christmas story- the hope that it brings but also the hard and unrepresentable parts of it: the Emmanuel and an unwed teen mother; the shepherds and a baby born in a manger; the miracle and the humanity of Jesus.
	December 12	Filtered Holidays	Christmas Party	
	December 19	Christmas Break		
	December 26	Christmas Break		
Q0	January 2	Big Monday		
Q2	January 9	This is Me	This is Me	This is Me is a series based off of the 2017 movie, "The Greatest Showman". Each week, we look at the lyrics of a song from our student's childhood as we walk through their stories and dreams of the future alongside the story of David
	January 16	This is Me	From Now On	
	January 23	This is Me	Come Alive	

Q0	January 30	Big Monday		
Q3	February 6	Red Flags	Toxic Love	This series walks through common love stories, including but not limited to Disney to illustrate what is unhealthy and filtered love. We end with what is real, unconditional love found in Jesus.
	February 13	Red Flags	Fake Love	
	February 20	Red Flags	Unreachable Love	
	February 27	Red Flags	Unconditional Love	
Q3	March 6	Out of Focus	Be Wise	This series covers a few areas that students often have a little blurry- social media, stress, anger and choices. We want to offer students a space free of judgement to discuss each of these areas without the feeling of needing to answer questions with the "right answer". We are

				setting out to create a shameful environment, rather to give students a new way to think of each focus area- through the lens of Jesus.
	March 13	Out of Focus	Be Present	
	March 20	Out of Focus	Be Slow	
	March 27	Out of Focus	Be Still	

Q4	April 3	Big Monday		
	April 10	Influencer	Believing in God is NOT Enough	This series goes through three ideas that we often filter Christianity and Jesus through: simply believing, doing, and going to church and ends with what Christianity really is, following Jesus.
	April 17	Influencer	Doing Good is NOT Enough	
	April 24	Influencer	Going to Church is NOT Enough	
	May 1	Influencer	Following Jesus is Enough	
	May 8	Big Monday		Consider recognizing your seniors
